While she makes herself perfectly clean on the outside,
**what exactly is happening
on the inside?**

Your choice of cat litter matters.

Each time cats clean, they swallow tiny particles of cat litter. You wouldn't want to feed your cat harsh perfumes, additives and chemicals, but that's what most clay-based, clumping cat litters contain. Chemical-free Feline Pine® neutralizes odors naturally and is a healthier choice for your cat and your home.

To learn more about Feline Pine,
visit www.felinepine.com or call (800)749-PINE.
Available everywhere cat litter is sold.
